

**The Freeport 411.** Here's what scoop we have on local businesses and organizations, their operations and services during this social distancing period. This is very fluid and fluctuating. Please try to support our local businesses as much as possible while remaining safe. Don't forget, you can win prizes by playing Freeport-INGO (game board found at [www.freeportmainechamber.com](http://www.freeportmainechamber.com)). Business owners/managers, please feel free to add, update or share changes in comments. Hang in there. Stay strong.

Additionally, in the same effort, #PayItForwardMaine is a collaboration with fellow Chambers of Commerce and business organizations across the state, spearheaded by [Portland Regional Chamber of Commerce](#). We are stronger together.
