**Freeport Performing Arts—FPA—is a new performing arts presenter**, launched as an initiative of the Freeport Performing Arts Center—the FPAC. FPAC is owned and operated by Regional School District #5 (Freeport, Durham, and Pownal). With our Symphony PLUS concert, FPA will launch a high quality, Freeport-based concert series, expanding in 2012 to include 3 to 5 events each year—classical music, jazz, dance, theater and more.
